

### § 315.3

Predecessor, Successor, Affiliate or Subsidiary, each as defined in the definition of Firm.

*Significant Number or Proportion of Workers* means five percent of a Firm's work force or 50 workers, whichever is less, unless EDA determines that these limitations in a given case would not be consistent with the purposes of the Trade Act. An individual farmer or fisherman is considered a Significant Number or Proportion of Workers.

*Substantial Interest* means a direct material economic interest in the certification or non-certification of the petitioner.

*TAAC* means a Trade Adjustment Assistance Center, as more fully described in § 315.5.

*Threat of Total or Partial Separation* means, with respect to any group of workers, one or more events or circumstances clearly demonstrating that a Total or Partial Separation is imminent.

*Total Separation* means, with respect to any employment in a Firm, the laying off or termination of employment of an employee for lack of work.

### § 315.3 Confidential Business Information.

EDA will follow the procedures set forth in 15 CFR 4.9 for the submission of Confidential Business Information. Submitters should clearly mark and designate as confidential any Confidential Business Information.

### § 315.4 Eligible applicants.

(a) The following entities may apply for assistance to operate a TAAC:

(1) Universities or affiliated organizations;

(2) States or local governments; or

(3) Non-profit organizations.

(b) For purposes of § 315.17 and to the extent funds are appropriated to implement section 265 of the Trade Act, organizations assisting or representing industries in which a substantial number of Firms or workers have been certified as eligible to apply for Adjustment Assistance under sections 223 and 251 of the Trade Act, include:

(1) Existing agencies;

(2) Private individuals;

(3) Firms;

(4) Universities;

(5) Institutions;

(6) Associations;

(7) Unions; or

(8) Other non-profit industry organizations.

### § 315.5 TAAC scope, selection, evaluation and awards.

(a) *TAAC purpose and scope.* (1) TAACs are available to assist Firms in obtaining Adjustment Assistance in all 50 U.S. States, the District of Columbia and the Commonwealth of Puerto Rico. TAACs provide Adjustment Assistance in accordance with this part either through their own staffs or by arrangements with outside consultants. Information concerning TAACs serving particular areas may be obtained from the TAAC Web site at <http://www.taacenters.org> or from EDA at <http://www.eda.gov>.

(2) Prior to submitting a petition for Adjustment Assistance to EDA, a Firm should determine the extent to which a TAAC can provide the required Adjustment Assistance. EDA will provide Adjustment Assistance through TAACs whenever EDA determines that such assistance can be provided most effectively in this manner. Requests for Adjustment Assistance will normally be made through TAACs.

(3) A TAAC generally provides Adjustment Assistance by providing assistance to a:

(i) Firm in preparing its petition for eligibility certification; and

(ii) Certified Firm in diagnosing its strengths and weaknesses, and developing and implementing an Adjustment Proposal.

(b) *TAAC selection.* (1) EDA invites currently funded TAACs to submit either new or amended applications, provided they have performed in a satisfactory manner and complied with previous or current conditions in their Cooperative Agreements with EDA and contingent upon availability of funds. Such TAACs shall submit an application on a form approved by OMB, as well as a proposed budget, narrative scope of work, and such other information as requested by EDA. Acceptance of an application or amended application for a Cooperative Agreement does not ensure funding by EDA.

(2) EDA may invite new applications through a Federal Funding Opportunity ('FFO') announcement. An application will require a narrative scope of work, proposed budget and such other information as requested by EDA. Acceptance of an application does not ensure funding by EDA.

(c) *TAAC evaluation.* (1) EDA generally evaluates currently funded TAACs based on:

(i) Performance under Cooperative Agreements with EDA and compliance with the terms and conditions of such Cooperative Agreements;

(ii) Proposed scope of work, budget and application or amended application; and

(iii) Availability of funds.

(2) EDA generally evaluates new TAACs based on:

(i) Competence in administering business assistance programs;

(ii) Background and experience of staff;

(iii) Proposed scope of work, budget and application; and

(iv) Availability of funds.

(d) *TAAC award requirements.* (1) EDA generally funds a TAAC for a three-year project period consisting of three separate funding periods of 12 months each.

(2) There are no matching share requirements for Adjustment Assistance provided by the TAACs to Firms for certification or for administrative expenses of the TAACs.

#### **§315.6 Firm eligibility for Adjustment Assistance.**

(a) Firms participate in the Trade Adjustment Assistance for Firms program in accordance with the following:

(1) Firms apply for certification through a TAAC by completing a petition for certification. The TAAC will assist Firms in completing such petitions (at no cost to the Firms);

(2) Firms certified in accordance with the procedures described in §§315.7 and 315.8 must prepare an Adjustment Proposal for Adjustment Assistance from the TAAC ('Adjustment Proposal') and submit it to EDA for approval; and

(3) EDA determines whether the Adjustment Assistance requested in the Adjustment Proposal is eligible based upon the evaluation criteria set forth

in subpart D of this part. A Certified Firm may submit a request to the TAAC for Adjustment Assistance to implement an approved Adjustment Proposal.

(b) For certification, EDA evaluates Firms' petitions strictly on the basis of fulfillment of the requirements set forth in §315.7.

(c) (1) Certified Firms generally receive Adjustment Assistance over a two-year period.

(2) The matching share requirements are as follows:

(i) Each Certified Firm must pay at least 25 percent of the cost of preparing its Adjustment Proposal. Each Certified Firm requesting \$30,000 or less in total Adjustment Assistance in its approved Adjustment Proposal must pay at least 25 percent of the cost of that Adjustment Assistance. Each Certified Firm requesting more than \$30,000 in total Adjustment Assistance in its approved Adjustment Proposal must pay at least 50 percent of the cost of that Adjustment Assistance.

(ii) Organizations representing trade-injured industries must pay at least 50 percent of the total cash cost of the Adjustment Assistance, in addition to appropriate in-kind contributions.

### **Subpart B—Certification of Firms**

#### **§315.7 Certification requirements.**

(a) *General.* EDA may certify a Firm as eligible to apply for Adjustment Assistance under section 251(c) of the Trade Act if it determines that the petition for certification meets one of the minimum certification thresholds set forth in paragraph (b) of this section. In order to be certified, a Firm must meet the criteria listed under any one of the 5 circumstances described in paragraph (b) of this section.

(b) *Minimum certification thresholds.*

(1) *Twelve-month decline.* Based upon a comparison of the most recent 12-month period for which data are available and the immediately preceding twelve-month period:

(i) A Significant Number or Proportion of Workers in the Firm has undergone Total or Partial Separation or a Threat of Total or Partial Separation;
